

BETHPAGE SPECIAL EDUCATION PTA (SEPTA)

SEPTA supports the special needs students and their families who receive special education services such as speech, occupational and physical therapies as well as those receiving resources in areas such as reading and math. We also represent the gifted and talented children who participate in the Challenger/Satellite program at the elementary level and in the Advanced Placement program at the high school and commencement level.

SEPTA works in conjunction with parents and teachers to create a network of communication which involves the sharing of vital information within our district and outside of school. We provide a support system for parents at our bi-monthly meetings where we meet to share ideas, learn from professional speakers and offer a forum to speak among others with similar experiences.

Please join our association to help us continue to provide these vital services. The cost of membership for the 2009-2010 school year is \$7.00 per person. Our membership is open to parents, students, teachers, and other family members.

Thank you for your support. For further information, please contact Christine Bergin at 516-857-3050, or by e-mail to cbergin@optonline.net. Our meetings are at 7 PM on the dates listed below. We look forward to seeing you there.
