Dear Parents:

I am writing in connection with the approach of the JFK Middle School students that I reported to you last week. Two individuals have been identified who appear to have approached the students. We are in consultation with the Nassau County Police Department and are pursuing appropriate action.

We continue to remain committed to fostering the health and safety of all students who attend the District's schools and thank you for your ongoing support.

Sincerely,

Richard S. Marsh, Ed.D.
Superintendent of Schools
