

Kindergarten Vocabulary

English Language Arts	Math	Science	Social Studies
after	afternoon	adult	celebration
author	all together	egg	community
before	apply	float	customs
chart	as long as	flower	elections
clue	beside	fruit	equality
compare	between	gas	family
cover	collection	grow	far
detail	count backwards	larva	farm
either/or	data	leaves	flag
examine	daylight	life cycle	friends
explain	evening	lifespan	globe
explore	few	liquid	holidays
fact	length	magnetism	jobs
finally	less	nutrients	land
first	longer than	primary colors	locate
idea	morning	prism	map
identify	next to	pupa	near
Illustrator	noon	roots	neighborhood
include	number	season	pledge
infer	ordinal numbers	seeds	presidents
instead	over	seeds	principal
interpret	rectangle	sink	rules
letter	shorter	solid	time
listen	skip count (2, 4, 6, 8...)	sort	United States
model	solution	stages	values
next	sum	stem	vote
observation	symmetry	sunlight	water
opinion	take away	weather	
organize	tally mark		
proof	under		
punctuation			
purpose			
question			
rhyme			
second			
selection			
sentence			
similar			
story			
strategy			
then			
third			
word			
TRUE/FALSE			

Grade 1 Vocabulary

English Language Arts	Math	Science	Social Studies
amount	addend	adaptation	capital
arrange	addition	anther	citizen
character	analog clock	autumn	compass
clues	bar graph	classify	continent
compose	cardinal numbers	decrease	country
conclusion	cent	energy	east
consequently	coin	Fahrenheit	equator
decompose	commutative property	hardness	festivals
definition	cone	height	goods/services
differences	corner	motion	government
during	cube	ovules	history
estimate	cylinder	pollen	independence
events	digital clock	precipitation	key
evidence	dime	prediction	language
expression	flip	property	laws
fluent	greater	senses	leader
formulate	higher	spring	legend
homophone	hour	stalk	marches
horizontal	inch	stamen	nation
increase	least	stigma	natural resources
investigate	less than	temperature	north
justify	lower	texture	past
likely	minus	thermometer	pioneers
location	more than	trunk	present
message	nickel	weight	President
mystery	operations	wind	shelter
order	penny	year	south
page	place value		state
part	quarter		symbol
passage	reflections		west
predict	rotation		White House
problem	ruler		
relationship	side		
result	slide		
seldom	subtraction		
sequence	translation		
setting	trial and error		
similar	turn		
solution	Venn diagram		
theme	whole		
title	width		
traits			
unlikely			
vertical			
while			
wonder			

Grade 2 Vocabulary

English Language Arts	Math	Science	Social Studies
antonym	associative property	amphibians	allegiance
chapter headings	compensation	attract	city
conclude	counting numbers	birds	Congress
detail	currency	camouflage	conservation
determine	customary measurement	carbon dioxide	democracy
diary	system	carnivore	environment
evaluate	digits	cold-blooded	freedom
example	division	community	geography
fact	dollar	condense	invention
fiction	doubles	endangered	island
metaphor	equivalent	environment	judge
narrative	even number	evaporate	lake
plot	fact family	extinct	landmark
plural	fair share	fish	location
prefix	figures	habitat	mayor
quote	half hour	herbivore	mountain
restate	heavier	hibernate	ocean
root word	hundreds place	inherit	peninsula
simile	identity element	mammals	pilgrims
source	irregular shape	matter	plain
suffix	label	offspring	plateau
synonym	lighter	omnivore	purchase
table of contents	line symmetry	oxygen	region
	mental math	population	republic
	multiplication	predator	river
	odd number	prey	rural
	properties	repel	settler
	regroup	reptiles	technology
	regular shapes	species	tools
	second	traits	trade
	sequences	warm-blooded	urban
	tallies	water vapor	water form
	whole numbers		

Grade 3 Vocabulary
